Show Description

Allan Nackan is an engaging and exceptional performer who has been actively involved in magic for more than 25 years. Based in Toronto, he is in very high demand, entertaining corporate clients with his amazing and unique sleight-of-hand illusions.

Allan specializes in close-up, walk-around (strolling) magic as this intimate medium allows him to interact on a more personal basis with his audience and provide them with a truly memorable, first hand experience of the magic.

He mystifies with a deck of cards, causes solid to melt through solid, increases money tenfold, makes objects vanish from your own hands, predicts the future or even reveals your deepest thoughts.
