## **Bio**

**Dr. Janet Lapp** delivers a powerful message: change is not a force to be feared but an opportunity to be seized. With humour and finesse, she confronts her audiences with the truth of what they need to do – and how they need to think – to move into the future with success and optimism. Her energy-charged, exhilarating programs provide usable ideas people can put to use right away. [morelink]

## **Topics**

### **Dr. Janet Lapp's Speaking Presentations:**

All presentations are completely customized, which means that you don't have to choose just one topic. Together you and Dr. Lapp will decide which components best fit to reinforce the objectives of your meeting, to address the specific challenges and concerns facing your audience, and to provide practical, take-home value. Below are some of Janet's most requested keynote presentations.
