## Bio

Polly LaBarre is a bestselling author, speaker, and thinker who has worked for over 20 years to make every kind of organization fundamentally more resilient, innovative, and inspiring—and to embolden and equip leaders at every level to make a meaningful impact. She is an inspiring and provocative voice on the big ideas and important questions that will shape the future of organizations, work, and collective progress.

Polly's work is driven by three core questions:

- 1) How do we unleash and organize human potential in ever more powerful ways?
- 2) How do we cultivate the audacity of imagination required to tackle our most intractable problems?
- 3) And, how do organizations and individuals change how they change to become endlessly adaptable?

To make genuine progress on those questions, Polly works with leading organizations, creates curriculum, develops methodology, and platforms for unleashing creativity, expanding collaboration, and accelerating change.

Polly speaks about:

- Leading Organizational Change

- Culture
- Innovation
- Talent Retention/Attraction
- The People-Centered Organization
- Creating an Adaptive Organization
- Banishing Bureaucracy
- New Architectures for Collaboration
- New Ways to Develop Talent
- Building a Better Workplace
- Creating a Nimble Organization [morelink]
