Co-Author of The Levity Effect: Why It Pays to Lighten Up

<http://www.kmprod.com/speakers/speaker-scott-christopher>

Bio

Scott Christopher has circled the globe entertaining and motivating thousands of audiences from senior leader retreats to all-staff meetings. Applicable to all audiences in any industry, Scott's unforgettable messages and off-the-cuff humor illustrate firsthand how levity, humor and becoming a 'people person' enrich lives at work and at home. Practising what he preaches, Scott presents meaningful data, research, case studies and stories in a relaxed, interactive, and hilarious way. [morelink]

Topics

The Levity Effect: It Pays to Lighten Up [morelink]

The Seven UPs of Happiness [morelink]

People People: Learning to Put "People First" & Why You Should Even Care [\[morelink\]](#)

The Daily Carrot Principle

Simple but powerful employee recognition that aligns with business strategies and pushes performance.

The Levity Effect: A Safe Bet for Risky Businesses [\[morelink\]](#)

The Anxiety Solution: Helping Employees Be More Calm, Clearheaded & Focused [\[morelink\]](#)

- Overload (how less can become more)
- Stagnation (the need for growth and development)
- Uncertainty (how to turn “what should I do” into “will do!”)
- Intimidation (how to motivate without the stick)
- Exclusion (how to instill an ethic of inclusion and support in a team) [\[lesslink\]](#)
